Sir,

One Pedru Veigas son of Louis Veigas, sweeper in Ullal village was retired from the service of the defunct Taluk Board on account of his old age on 14-1-1931. He applied for the payment of gratuity from the funds of the District Board on the ground that he has put in about 24 years service as a Local Fund sweeper under the defunct Taluk Board, Mangalore.

2. There is no service register or service roll maintained on his behalf. But the applicant has submitted a certificate from some of the residents of Ullal in support of his service since 1906.

3. As the ex-sweeper was in service for about 24 years and his work was satisfactory he may be considered to be eligible for gratuity of 6 months pay as per G.O.No. 4309 L. & M., dated 26-10-1928.

4. The applicant states that he has no copies of orders with him relating to his service. An application in the proper form for the payment of gratuity is enclosed.

Reference: Government (E.&P.H.Department) Endorsement No.12928-1-E.1 dated 16-4-1941.

The applicant retired from service on 14-1-1931 and the application for gratuity made only on 31-8-1940 is much belated. Further, the entire service is stated to be not verifiable from any records and is not supported by any evidence of contemporary employees, as provided in Article 908 C.S.R. Only a certificate from some residents of the village is reported to have been furnished. The President, District Board, has, however, certified on the gratuity application that the service claimed is established. If, in the circumstances, Government are satisfied that the applicant has rendered service of over 20 years, and deserves favourable consideration, there is no objection to the payment of a gratuity of ₹60 being sanctioned by Government as proposed by the District Board.

2. The enclosures received with the Government endorsement are returned.

Submitted that the P.B. South Kanara states that the retired sweeper has put in about 24 years service. The Examiner states that the service is not verifiable from any records and that the application is belated. It is for consideration whether the gratuity may be sanctioned for a service of

2

of 24 years on the strength of the statement of the P.D.S.

The man retired in 1931 and he is applying in 1940. It will be a dangerous thing to allow such application. For this reason alone I think the applin should be dismissed.
